Subject: KWVD Moved Its International Invitational Exhibition 2020 Online

To whom it may concern

I regret to inform you that KWVD modified the International Invitational Exhibition 2020 into the online exhibition amid the COVID-19 outbreak. Korean government has decided to extend shut down of major public facilities, including KEPCO Art Center, in Seoul Metropolitan area because new COVID-19 cases as a cluster infection are rapidly increasing in these areas. Still, the exhibition will be held from July 11 to 17 at KWVD's website, <http://www.kwvd.or.kr>.

I appreciate your consideration in advance and hope you stay healthy and safe.
